

Directions To The Willi Krause Fieldhouse:

If you are coming to Trail from Rossland or Castlegar, drive through Trail across the Columbia River over the new bridge (Victoria Street). Proceed through the first traffic light and up the hill towards the Mall. At the second traffic lights (McBride Street), turn left, 'pull a u-turn' and start going back down the hill. On the right there will be an exit to the landfill. Follow the road that veers to the left and the fieldhouse. If you see a Husky station on your right at the third set of traffic lights, you've gone too far.
