## ***What Is The Trail Track Club?***

The Trail Track Club is an athletic association dedicated to developing athletes to their full potential. The club is focused on track and field, but is an excellent place for athletes of all disciplines to train, particularly through the winter months. Sprinting and endurance running help to keep one in shape and build speed, while throwing and jumping events test and develop flexibility and strength.

## ***Who Is Eligible To Join***

Any athlete born in 2008 and earlier.

## ***Who To Contact***
